PROFILE

Software development student with practical experience building web and mobile applications using Laravel, Vue.js, React Native, and ASP.NET Core. Seeking an internship in Luxembourg to contribute to development projects and grow towards a junior developer role. My background in language teaching and French-Thai translation brings strong communication skills, adaptability, and experience working independently. Expected graduation: June 2027.

SELECTED PROJECTS

Kin Dee - Food Order App

Final-year project · Individual project

Laravel · Vue.js · Inertia.js · TypeScript · React Native · Expo · Stripe

- Developed an administration panel, a customer web application, and a customer mobile application connected through a shared Laravel backend.
- Integrated Stripe payment functionality.

LUXWorkflow - Dossier Management

Academic project · Individual project

C# · ASP.NET Core · Razor · Entity Framework Core · SQLite

- Built an application to manage administrative dossiers through approval, processing, closure, and archiving stages.
- Implemented role-based access, document management, and a history of changes.

FriGoMonitor - Temperature Monitoring

Academic project · Individual project

Laravel · Vue.js · SQL · Pinia · Chart.js

- Developed a Laravel API and Vue.js interface to monitor refrigeration equipment and record temperature readings.
- Displayed temperature history through charts and flagged readings outside defined limits.

TECHNICAL SKILLS

Programming	PHP, C#, JavaScript, TypeScript, SQL
Backend	Laravel, ASP.NET Core, REST APIs, Eloquent, Entity Framework Core
Frontend	Vue.js, React, HTML, CSS, Tailwind CSS, Bootstrap
Mobile	React Native, Expo
Additional technologies	Inertia.js, Razor, Blade, Pinia, Redux, GSAP
Development tools	Git, GitHub, Visual Studio Code, PhpStorm, Visual Studio

PROFESSIONAL EXPERIENCE

Independent French & English Tutor

2014-present

- Provide private French and English lessons to Thai learners, including people living abroad.
- Teach using Thai and English, adapting explanations and activities to learners' goals and proficiency.
- Manage lesson preparation, scheduling, and communication independently while pursuing evening studies in application development.
